Minimum Quantity: *Delivered quantity may differ ±10%.	Per item: 20 Per order: 20		
Packaging			
Pallet contents:	200 posts / pallet Total height (pallet included): ± 66" Pallet size: 44" x 48" for 36" to 48" long posts. Pallet may be same size or longer for posts 54" long and up. Total pounds per pallet: ± 2 900 lb. (pounds per post: 14.4 lb.). *This information is based on a pallet of 3 1/2" x 48" posts.		
Packing Method:	Wood stickers are installed between the pallet and the products. Wood stickers are installed every five (5) rows to stabilize the load. Every ordered item (SKU) is separated by two (2) wooden blocks when quantity is 50 and up. Wood stickers are used to separate products when the quantity is under 50 units. Two (2) nylon straps are fastened to each pallet. Each pallet is covered in clear shrink wrap.
